Affordable Housing at a scenic location

Realise your home ownership dream

Bamburi Greenview Apartments is the newest addition to a successful portfolio of affordable housing developed by Fairdeal Properties.

Conveniently located within the Bamburi area in Mombasa, the project has close proximity to the Beach Hotels on the North Coast of Mombasa and the bustling Links road (multiple malls, hospitals and health centers and international schools).

The project features efficiently designed 1, 2 and 3 bedroom apartments spread over 3 phases with amenities matching high-end developments. The intention is to ensure Bamburi Greenview Apartments becomes the desired affordable housing scheme in Mombasa, ensuring attractive returns for investors and a home to be proud of for first time home buyers.

In line with the government's affordable housing initiative, the project's attractive pricing and flexible interest free payment plan will help make the home-ownership journey a reality for many Kenyans.
